Dear Steve,

I write to express my gratitude to you and Janet, your company, Footprints of God Pilgrimages and your supplier, Corporate Travel Service for an extremely well organized and spiritually uplifting pilgrimage in the "Footsteps of St. Paul" under your leadership. Every detail, from actually working with the cruise line to chart the itinerary, to the visits at the biblical sites of our faith, to your explanations at each location, were all very well executed. Our cruise group of more than 130 supporters of Spirit Catholic Radio tremendously enjoyed this experience with you.

While there are many tours and cruises available to travel in the footprints of St. Paul, the professionalism, dedication, and, most importantly, the thoroughly genuine spirit of Catholic faith, distinguished this pilgrimage among others in every way!

Please know of my sincere gratitude for the opportunity to collaborate with you to build up the Kingdom of God and to help conform hearts to those of our Risen Savior through visiting these holy sites on pilgrimage. With my prayers and every good wish, I remain

Sincerely yours in Christ,

The Most Rev. James D. Conley
