Dear Steve,

I write to express my gratitude to you and Janet, your company, Footprints of God Pilgrimages and your supplier, Corporate Travel Service for a tremendously organized pilgrimage to the Holy Land. Every detail was executed at the highest possible level. Our group of 40 Legates truly had an unparalleled experience of faith.

While there are many tours available to travel to the Holy Land, the professionalism, dedication, and, most importantly, genuine spirit of Catholic faith, distinguish this pilgrimage as a stand alone among many!

I close with much gratitude for the opportunity to collaborate in this endeavor of faith and we look forward to partnering with you again in the near future!

Yours in Christ,

John J. Hunt  
Executive Director
