p.s. my favorite part was probably when we woke up early and went up the Via Dolorosa, and the last day!

Dear Dad,

Wow! What an incredible trip! I still can't believe that I went to the places where God came down from Heaven and lived! I really believe now that I have a more intense relationship with Jesus than I ever had before. Now that I saw the places Jesus went, I am eager and excited to study the Bible and learn more about my faith. The Bible and everything else that I learned about Jesus really comes alive. Thank you so much for the work and effort you put into this trip, it has dramatically changed my spiritual life (in a good way :) and I am very grateful
