

WHY AREN'T OUR PILGRIMAGES \$2,995?

MANY CHEAP TOURS CAN BE FOUND ON THE INTERNET — SOME AS LOW AS \$2,995. HOW CAN THEY DO IT SO CHEAPLY WHEN OUR PRICES ARE IN THE HIGH \$3,000 RANGE?

There are many reasons our pilgrimages cost more than the cheaper tours. As the old sayings go, “You get what you pay for!” and, “If something sounds too good to be true, it probably is.”

We do not create cheap assembly line tours. People who want cheap tours will find plenty available. We provide a much more involved trip with loads of personal attention.

This may be your only trip to visit the Holy Land so make sure you get the most out of your pilgrimage. Many people visit the biblical lands and fail to see and experience what a Catholic should. A pilgrimage should be a marvelous spiritual experience with prayer and worship and daily Mass at holy sites — but most local guides disregard the spiritual element and rush people in and out of sites with no time for prayer, Mass, Scripture reading, or reflection. Not with us!

By Israeli law an American priest or tour leader must hand their pilgrims over to a local guide who is a Jew or Muslim and often with very poor English. Almost all Jewish guides are unbelieving skeptics and Muslims disdain the Christian faith. What can they teach you about the faith and the Catholic perspective on the Holy Land?

Many tours are a mixture of believers and non-believers, Catholics and non-Catholics. This can make it difficult for Catholics to really bond and enjoy their trip to the fullest. This does NOT happen with our pilgrimages.

Our Footprints of God Pilgrimages also support the persecuted Christians in the Holy Land. With us your money goes to Christians! We use Christian hotels and Christian restaurants and patronize Christian shops. This is the most important thing that Americans can do to support the continued Christian presence in the Holy Land. Many tour organizers look for the cheapest; we patronize the best Christian establishments for their good — and for ours!

Our pilgrimages are well organized, personally led by certified guides Steve & Janet Ray, have no hidden or additional charges, and receive rave reviews. Our pilgrims receive many benefits including

The Footprints of GOD

Steve's exclusive 110-page Handbook for Pilgrims, a personalized DVD movie of the trip, daily private Mass in primary holy sites, and much more. Below are a few more things that make our pilgrimage different.

Our pilgrimages are accompanied by priests who are approved by Steve & Janet, orthodox, fun, and ready to serve the pilgrims with Mass, confession, and spiritual direction.

Steve gives many of his popular talks and presentations on the bus and on location.

We use Corporate Travel, a professional and reputable American travel agency to assist in booking, registration, and preparation.

We use the best tour operator in Israel to assure you of quick response and personal service while away from home.

Our Footprints of God Pilgrimages support the persecuted Christians in the Holy Land—who make up only about 1% of the population. They desperately need our help. With us your money goes to support Christians! We use Christian hotels and Christian restaurants and patronize Christian shops. This is the most important thing Americans can do to support the continued Christian presence in the Holy Land. Other tour organizers look for the cheapest; we patronize the best Christian establishments for their good—and for ours!

You will enjoy and benefit from a private evening with Steve and Janet for a thorough and balanced discussion on the “Israeli-Palestinian Conflict.” How should we think about such a confusing and emotional issue? Steve and Janet help you unravel the situation while you are experiencing it for yourself.

Hotels are strategically located within walking distance of holy sites.

We travel during prime seasons to avoid the blistering summers and the cold, rainy winters. This increases the pricing a bit, but is well worth the comfort and uninhibited touring.

Our groups are able to meet local clergy and local Christians.

We hire an Israeli service to assist you behind security at the Tel Aviv Airport.

We include a free day for shopping or prayer, with an optional trip offered to Masada, Qumran, Jericho and the Dead Sea.

Many tour companies surprise pilgrims with hidden fees or costs. With our tours ALL tips and meals and expenses included in the price—no hidden expenses or charges (airline tax and extra drinks are the exception).
