

Steve + Janet

We want to thank you for a truly memorable pilgrimage starting with your top notch team Corporate Travel, the welcome team at the airport, David our expert driver and of course Amer the extremely knowledgeable + kind guide.

Never once did we feel unsafe

or apprehensive. You guided us through this Holiest of land opening our eyes on the roots of our beautiful faith.

Thank you for answering the call of the Holy Spirit to this wonderful mission. It was a spiritual journey we will never forget.

God Bless
