Dear Steve & Janet,

Thank you for the wonderful trip to the Holy Land April 4-13. It was indeed a trip of a lifetime! We have shared our stories and our photos with many and three couples are considering a trip with you to the Holy Land.

We have also enjoyed the two books recommended to us on the bus---such excellent information and we could match the sites pictured with our own personal photos. That was fun too! The people traveling with us were such a wonderful group of people---prayer, we are sure brought us all together.

We arrived back in Dubuque at midnight Friday, April 13 and when we went to Mass on Sunday, the scriptures and the mass prayers came so alive as if a veil was lifted.

Thank you both for your many kindnesses and help along the way. You and your family remain in our daily prayers along with Christians in the Middle East, peace in the Middle East, and the conversion of Muslims. We certainly understand in a new way just how important prayer for them is on a daily basis.

God bless and keep you both!

All the best,

Mark and Suzanne (Sue) Lansing
