

Holy Land Pilgrimage March 2019

Dear Steve and Janet,

No words can convey the experience of these last 7 days. Ah... that number '7'! It has been a whirlwind of emotions, enlightenment, education, and so much more. We want to thank you and let you know we appreciate it all. Amer and our driver a great part as well. Such deep, personal insight from Amer was an added dimension for sure. Your organizational skills and most of all your desire for us to know and love our Catholic Faith and the person of Jesus was truly evident. We just wanted to leave you with a personal touch of our own.

We pray all our new friends will continue to grow deeper in God's love for us all. Safe travels

Celebrating the blessing of you!
as you continue your pilgrimages around the world! We are so grateful,

Diana and Woody Trammell
