Dear Steve and Janet,

Thank you so very much for leading us on the once-in-a-lifetime pilgrimage with Legatus on September 19-27. Our highest compliments go out to you and your team of Amer and David.

The professionalism, experience, and knowledge you conveyed to us exceeded our expectations! Every Holy site we visited along with every talk Steve gave left us with a profound insight into the life of Jesus and a renewed appreciation and love for our Catholic faith.

We also appreciated the chance to support the Holy Land Christians by dining in all the wonderful and often down-to-earth local restaurants and shopping in the beautiful gift shop (our statues arrived this week and are now proudly displayed in our home). Our faith will only continue to grow as a result of this experience and for that we are forever grateful. We hope to join you in 2021 Holy Land part II, ideally with Legatus.

God bless you both,
Scott and Barbara Davidson
