

Dear Steve and Janet,

Thank you both for leading our
KISS Spirit Catholic Radio Pilgrimage
to the Holy Land. It truly is the
fifth Gospel. After this trip, the
 Advent readings are more vibrant
and meaningful. I feel like I have
brought a bit more meaning to my
CCD lessons with 4th and 5th grade students.
They were able to bless themselves with
water from the Jordan River during
our lesson on John the Baptist. And, they
each get a rock as we read of Jesus
giving authority to Peter.

It is like reading the Gospels with
a new mind - words that were always
there pop out and I have a broad
picture in my mind's eye.

May your
Blessings be many.
May your **Joy** be great.

Thanks to both of you
for leading our pilgrimage
and may God bless you
on all your travels.
